ATTN OF: INA

SUBJECT: FTD Suggested Sub-KIQs

21 JAN 1975

25X1

TO: Director, Defense Intelligence Agency

DP-2D)

Reference your telecon with Lt Col Anderson on 17 January on subject above. The attached suggested Sub-KIQs from FTD are forwarded as an information item that might prove valuable to the NIOs within whose areas they fall. In all cases they further define the broad KIQs and in some areas they provide collection/analytical thrusts not noted in the Strategy Reports.
